Basic Information:

Course Title: INTRODUCTION IN THE HISTORY AND ITS AUXILIARY SCIENCES

Lecturer: Chavdar Vetov, associate professor, PhD. Institute for Historical Studies.

Bulgarian Academy of Sciences. Section: Auxiliary Historical Sciences and Informatics

Phone: 0889 82 76 50

Email: chavdar_vetov@ihist.bas.bg , vetov1@abv.bg

Total Teaching Hours: 30 hours

Annotation (up to 150 words)

The proposed course of lectures aims to introduce the doctoral student to the development of historical science over the centuries and the emergence and specificity of the various directions in history. The auxiliary historical sciences are examined - the specificity of working with documents of different types and origins; attention is paid to the development of archival institutions and the work of researchers with them. The course is addressed to all scientific specialties, where the document is the object and means of retrospective knowledge.

Course content (brief description by topics or modules)

Topic / Module 1: Development of historical science over the centuries

Topic / Module 2: Characteristics of the auxiliary historical sciences

Topic / Module 3: Characteristics of the archive institutions

Teaching and assessment methods

lectures, discussions, interviews, individual written texts;

Competencies acquired as a result of training (3–5 points)

Skills for working in archival institutions. Skills for working with digital libraries and archival archives. Knowledge of the organization and structure of archival institutions
